## ***Ever wondered why your clothes don't fit properly?***

Garments are made to fit average sizes: *BUT* most of us don't fit into an average size category!

Join a class at the **Pattern Making Academy** and enjoy a learning experience in a relaxed environment.

Learn how to identify and draft master blocks for your own unique body shape, and gain skills in the arts of garment fitting and pattern making.

## ***Tap into your creativity***

You may be surprised where the pattern making journey can lead to after you have mastered the basics.

One thing is certain – ***you will get a much better fit with clothes made to a shape, not a size*** – making you look and feel elegant!

If you are interested and would like to learn more about this exciting and challenging field, we would love to hear from you.
